# Cal OES LAW ENFORCEMENT MISSIONS

## Cal OES Law Missions

- **06/30/19, 1205 hours:** AFRCC reported an ELT in San Bernardino County and at the same time reported the pilot was able to make contact with a JetBlue aircraft flying overhead that he was uninjured but in the middle of the Mojave Desert. San Bernardino County SAR was contacted to conduct a welfare check on the pilot who was stranded in the desert. After several hours, San Bernardino made contact with the pilot who said he lost oil pressure and had to make an emergency landing. The pilot was given a ride out of the area. No mutual aid was requested and no mission number was pulled, due to Cal OES was only the facilitator between AFRCC and San Bernardino County.
- **2019-LAW-2914, 06/29/19, 1624 hours:** AFRCC reported a possible ALNOT-Stolen Aircraft (N3504A) from Santa Cruz County. The plane was discovered missing on Wednesday (06/26/19) at approximately 2030 hours. The plane is owned by a club with multiple members/owners, and there were no planned flights for that plane during that time frame. AFRCC could not complete a forensic RADAR of the plane without a distinctive criminal element. The case was turned over to Watsonville PD who is investigating the case. Coast Guard was notified of the missing aircraft and received a track of a *possible* plane (from AFRCC) that left Santa Cruz around the same time as N3504A. That track, per AFRCC dropped off the RADAR 3.7 miles off the coast of San Mateo County. A follow up investigation with the airport, flight instructors at the club, AFRCC, Coast Guard, San Mateo SAR and Watsonville PD is being conducted. **Update;** US Coast Guard searched the area of the last known point of the suspected flight path of the aircraft 3.7 miles off the coast of Ano Nuevo State Park with negative results. Watsonville PD is conducting an investigation into the subject that the flight club believes was the pilot of N24580. The Plane and the primary suspect are still MIA. **MISSION ONGOING**
- **2019-LAW-2902, 06/28/19, 1200 hours:** The Tulare County Sheriff's Office contacted Cal OES Law Branch to acquire (2) HRD's for a 2016 Homicide investigation taking place on 07/02/19. The resources were requested to be at the Tulare County Sheriff's Headquarters at 0700 hours, 07/02/19. The Cal OES K9 coordinator was advised of the request and began coordination. **MISSION ONGOING**

# Cal OES MISSION TASKING

## Cal OES Missions

- No missions to report.

# *Cal* OES

---

GOVERNOR'S OFFICE  
OF EMERGENCY SERVICES

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
